Working together to  
create safer school  
environments for all

Rainbow Kids & Families is an elementary school student & family led organization.

We strive to help LGBTQIA+ students and families feel safe, welcome, and supported in Lawrence and surrounding Kansas schools.

## Support

---

We identify supportive individuals in schools, called RKF Champions. Your RKF Champion will help you navigate any difficulties that may arise at school or in your community. We also provide online resources to educators and families in our community.

If you are an educator and want to get involved, contact us!

## Gather

---

We coordinate several support and meeting groups for youth and adults alike. We host events and activities targeted at uniting our community and having a good time.

If you are a parent or caregiver and want to give involved, contact us!

## Advocate

---

We are fierce advocates for our LGBTQIA+ families. By promoting and supporting policies that align with our mission, we advocate for our students and families at the school, district, community, and state level.
